In support of the Application, the Committee submits the *Declaration of Robert K. Malone, Esq., Pursuant to 28 U.S.C. § 1746, in Support of the Application of the Official Committee of Unsecured Creditors for Entry of an Order Authorizing the Employment and Retention of Gibbons P.C. as its Counsel Effective as of May 23, 2023* (the “Malone Declaration”), attached hereto as **Exhibit B**, and the *Declaration of Michael Mandell, Pursuant to 28 U.S.C. § 1746, in Support of the Application of the Official Committee of Unsecured Creditors for Entry of an Order Authorizing the Employment and Retention of Gibbons P.C. as its Counsel Effective as of May 23, 2023* (the “Mandell Declaration”), attached hereto as **Exhibit C**. In further support of the Application, the Committee respectfully states as follows:

JURISDICTION AND VENUE

1. The Court has jurisdiction to consider and grant the relief requested herein pursuant to 28 U.S.C. §§ 1334 and 157, and the *Standing Order of Reference* from the United States District Court for the District of New Jersey dated July 23, 1984 and amended September 18, 2012. The Committee confirms its consent to the Court entering a final order in connection with the Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The bases for the relief sought herein are sections 328(a) and 1103(a) of the Bankruptcy Code, Bankruptcy Rule 2014(a), and Local Rule 2014-1.

BACKGROUND

4. On April 23, 2023 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with the Court. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Chapter 11 Cases.

5. On May 5, 2023, the Office for the United States Trustee for Region Three (the “U.S. Trustee”) appointed the Committee, consisting of the following members: (i) Ryder Integrated Logistics, Inc.; (ii) The Bank of New York Mellon; (iii) Intersoft Data Labs Inc.; (iv) KDM P.O.P. Solutions Group; (v) Shark Ninja Operating LLC; (vi) Lenox Corporation; and (vii) SITE Centers Corp. [ECF No. 218].

6. On May 8, 2023, the Committee voted to retain and employ Pachulski Stang Ziehl & Jones LLP (“Pachulski”) as its lead bankruptcy counsel, which the Court approved on June 16, 2023. [ECF Nos. 660, 754].

7. On or about May 23, 2023, the Committee selected and retained, subject to approval by the Court, Gibbons as its special counsel.

RELIEF REQUESTED AND BASIS THEREFOR

8. By way of the Application, pursuant to sections 328(a) and 1103(a) of the Bankruptcy Code, Bankruptcy Rule 2014(a), and Local Rule 2014-1, the Committee respectfully requests entry of the proposed order attached hereto as **Exhibit A**, approving the employment and retention of Gibbons, effective as of May 23, 2023, as its special counsel in connection with the Chapter 11 Cases.

9. The Committee selected Gibbons after determining that Gibbons’ relevant experience, both in and out of bankruptcy, in such areas as corporate, tax, intellectual property and real estate,

among others, warranted selection of the Firm to assist Pachulski in the representation of the interests of the Committee. Gibbons' attorneys have, over their respective careers, also represented several creditors' committees in many other major chapter 11 cases. Based on these facts, the Committee is satisfied that Gibbons is qualified to serve as special counsel to assist Pachulski and the Committee in fulfilling their fiduciary duties in the Chapter 11 Cases.

10. Pursuant to section 1103(a) of the Bankruptcy Code, the Committee requests that this Court approve the employment of Gibbons as its special counsel to, among other things:

- (a) attend the meetings of the Committee as requested;
- (b) provide legal advice with respect to, among other things, tax, real estate, intellectual property and litigation;
- (c) prepare, as requested by Pachulski as lead bankruptcy counsel and/or the Committee, applications, motions, answers, orders, reports, and other legal papers;
- (d) appear in Court as necessary and protect the interests of the Committee before the Court; and
- (e) perform all other legal services for the Committee that may be assigned to Gibbons by Pachulski and/or the Committee.

11. Gibbons has advised the Committee that it intends to apply to the Court for compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any administrative compensation order entered in the Chapter 11 Cases. The proposed rates of compensation, subject to final Court approval, are the customary hourly rates in effect when services of this nature are performed by the attorneys, legal assistants and staff who may be called upon to provide services to the Committee. The Firm's current hourly rates range from \$225 for paralegals to \$1,075 for the Firm's most senior partners. The current hourly rates for the Gibbons attorneys and paralegals that may from time to time represent the Committee are as follows:

Timekeeper	Title	Hourly Rates
Robert K. Malone	Director	\$1075
Dale E. Barney	Director	\$950
Peter J. Ulrich	Director	\$925
Mark B. Conlan	Director	\$740
Natasha M. Songonuga	Director	\$720
Brett S. Theisen	Director	\$700
Chantelle D. McClamb	Director	\$700
David N. Crapo	Counsel	\$790
Christopher P. Anton	Counsel	\$715
Kyle P. McEvilly	Associate	\$435
Ellen Rosen	Case Manager	\$375
Neal Mitchell	Paralegal	\$295

Gibbons has advised the Committee that the Firm's hourly rates are subject to periodic adjustments, of which the Firm will provide notice.

12. Consistent with the Firm's policy with respect to its other clients, Gibbons will charge the Debtors' estates for all charges and disbursements incurred in rendering services to the Committee. These customary items include, among other things, photocopying, facsimiles, actual out-of-pocket expenses for travel, lodging, and business meals, computerized research, postage, witness fees, and other fees related to trials and hearings. Internal costs or overhead cost and document production services (including regular secretarial and word processing time), will not be charged for separately.

13. Based upon the Malone Declaration filed contemporaneously herewith, the Committee is satisfied that (i) Gibbons does not hold or represent an adverse interest in connection with the Chapter 11 Cases, and that its employment is in the best interest of the Debtors' estates and their creditors, (ii) Gibbons has no connection with the U.S. Trustee or any other person employed in the office of the U.S. Trustee, and (iii) Gibbons has not been paid any retainer against which to bill fees and expenses. To the best of the Committee's knowledge, Gibbons has no connection

with creditors or any other party in interest except as otherwise disclosed in the Malone Declaration.

14. *Nunc pro tunc* relief is warranted with respect to Gibbons' retention. The Firm has been diligent since its selection by the Committee in preparing and prosecuting its application in a timely manner under the circumstances of the Chapter 11 Cases. An initial focus of the Firm's work was necessarily devoted to the Second Day Hearing held by the Court on May 31, 2023. Gibbons immediately engaged with the Committee's professionals and counsel to the Debtors, raising a number of concerns. By the time the Committee retained Gibbons, the Debtors' sale process, which began pre-petition, was well underway and proceeding on an expedited track. Gibbons has been actively working with the Committee's and the Debtors' professionals to come up to speed and resolve the Committee's concerns with respect to the sale of the Debtors' assets, specifically with respect to Net Operating Losses ("NOLs") and other tax attributes associated with the Debtors' assets. Moreover, as part of performing conflict checks and determining Gibbons' connections to the Chapter 11 Cases, the Firm's Conflicts Department had to run over 2500 names of potential parties in interest. This inordinate number of searches took longer than most searches in chapter 11 cases. These circumstances warrant *nunc pro tunc* relief. *See, e.g., In re United Cos. Fin. Corp.*, 241 B.R. 521, 526 (Banks. D. Del. 1999) ("In fact, the [United States Trustee] recognizes that in large chapter 11 cases, given the press of urgent matters to be determined in the early days of the chapter 11 proceeding, the preparation and filing of retention applications for all professionals may be delayed. If such applications are filed within 30 days of the petition date, therefore, the [United States Trustee] will, not ordinarily object.").

STATEMENT REGARDING U.S. TRUSTEE GUIDELINES

15. Gibbons intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Chapter 11 Cases, subject to approval of the Court and in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, Local Rules, and any other applicable procedures and orders of the Court, on an hourly basis, plus reimbursement of actual, necessary expenses and other charges incurred by Gibbons. Gibbons also intends to make reasonable efforts to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases* (the "UST Guidelines"), both in connection with the Application and the interim and final fee applications to be filed by Gibbons in the Chapter 11 Cases.

NOTICE AND NO PRIOR REQUEST

16. Notice of the Application is being provided to (i) the U.S. Trustee for the District of New Jersey; (ii) Kirkland & Ellis LLP and Kirkland & Ellis International LLP, co-counsel for the Debtors; (iii) Cole Schotz P.C., co-counsel for the Debtors; (iv) Pachulski Stang Ziehl & Jones LLP, lead counsel to the Committee; and (v) all parties having formally requested notice pursuant to Bankruptcy Rule 2002 via the Court's CM/ECF system. The Committee respectfully submits that, in light of the nature of the relief requested, no further notice is necessary or required.

17. No prior request for the relief sought in the Application has been made to the Court or any other court.

WHEREFORE, the Committee hereby respectfully requests that it be authorized to retain and employ Gibbons P.C. as its special counsel, effective as of May 23, 2023, that Gibbons be paid such compensation as may be allowed by this Court in accordance with sections 330 and 331 of the Bankruptcy Code, and that the Committee be awarded such other further relief as is deemed just and proper.

Chapter 11

Case No. 23-13359 (VFP)

(Jointly Administered)

**DECLARATION OF ROBERT K. MALONE, ESQ., PURSUANT TO 28 U.S.C. § 1746,
IN SUPPORT OF THE APPLICATION OF THE OFFICIAL COMMITTEE OF
UNSECURED CREDITORS FOR ENTRY OF AN ORDER AUTHORIZING THE
EMPLOYMENT AND RETENTION OF GIBBONS P.C. AS ITS SPECIAL COUNSEL
EFFECTIVE AS OF MAY 23, 2023**

ROBERT K. MALONE, of full age, under penalty of perjury, hereby declares as follows:

1. I am an attorney at law admitted to practice in the State of New Jersey, the United States District Court for the District of New Jersey, the United States District Court for the Southern and Eastern Districts of New York, and the United States Court of Appeals for the Third Circuit. I am a Director at the law firm of Gibbons P.C. (“Gibbons” or the “Firm”) and Chair of the Firm’s

A complete list of the Debtors in the Chapter 11 Cases and each such Debtor’s tax identification number may be obtained on the website of the Debtors’ claims and noticing agent at <https://restructuring.ra.kroll.com/bbby>. The location of Debtor Bed Bath & Beyond, Inc.’s principal place of business and the Debtors’ service address in the Chapter 11 Cases is 650 Liberty Avenue, Union, New Jersey 07083.

Financial Restructuring and Creditors' Rights Practice. I make this Declaration pursuant to section 1103 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 2014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

2. Gibbons is a law firm of approximately 165 attorneys, which maintains an office at One Gateway Center, Newark, New Jersey 07102-5310, among other locations. Subject to the Court's approval, Gibbons proposes to provide legal services to the Official Committee of Unsecured Creditors (the "Committee") of Bed Bath & Beyond, Inc. and its affiliates (the "Debtors") in their chapter 11 cases (the "Chapter 11 Cases"), at the rates approved by the Court, in compliance with sections 328(a), 504 and 1103 of the Bankruptcy Code, and to provide disclosure required under Bankruptcy Rules 2014(a) and 2016(a). Unless otherwise stated in this declaration (the "Malone Declaration"), I have personal knowledge of the facts set forth herein. To the extent any information disclosed herein requires amendment or modification upon Gibbons' completion of further review or as additional party-in-interest information becomes available to it, a supplemental declaration will be submitted to the Court reflecting such amended or modified information.

RELEVANT EXPERIENCE

3. The Committee seeks to employ Gibbons as its special counsel because of the Firm's recognized experience, both in and out of bankruptcy, in such areas as corporate, tax, real estate, intellectual property and complex commercial litigation. The Firm's attorneys also have extensive knowledge in the fields of creditors' rights and corporate reorganizations under chapter 11 of the Bankruptcy Code. In fact, a number of Gibbons attorneys have completed judicial clerkships with bankruptcy judges in this district. Ultimately, Gibbons' combination of relevant experience, among other considerations, warranted its selection by the Committee to serve as special counsel

and assist the Committee's lead counsel, Pachulski Stang Ziehl & Jones LLP ("Pachulski"), in fulfilling its duties and responsibilities in the representation of the Committee.

SERVICES TO BE PROVIDED

4. The professional services that Gibbons may provide to the Committee include, but are not limited to, the following (collectively, the "Services"):

- (a) attend the meetings of the Committee as requested;
- (b) provide legal advice with respect to, among other things, tax, real estate, intellectual property and litigation;
- (c) prepare, as requested by Pachulski as lead bankruptcy counsel and/or the Committee, applications, motions, answers, orders, reports, and other legal papers;
- (d) appear in Court as necessary and protect the interests of the Committee before the Court; and
- (e) perform all other legal services for the Committee that may be assigned to Gibbons by Pachulski and/or the Committee.

5. I further submit that the employment of Gibbons as special counsel will not be duplicative of, but will complement, the services to be provided by Pachulski. The Committee, Pachulski and Gibbons do not anticipate any overlap in responsibility or duplication of efforts between Pachulski and Gibbons. To that end, Gibbons will continue to work closely with Pachulski, the Committee, and its other professionals to ensure that there is no unnecessary duplication of efforts. However, out of an abundance of caution and a desire to efficiently provide the Services to the Committee, Gibbons will coordinate efforts with the Committee's professionals to avoid duplication of work and unnecessary fees.

CONFLICT CHECK PROCESS

6. In order to prepare the Malone Declaration and at my direction, the Firm compared the Debtors' bankruptcy petitions, current and former officers and directors, agents, contract

counterparties, landlords, beneficiaries, court personnel, potentially responsible parties, equity holders, bondholders, secured lenders, insurers, banks, significant litigation parties, professionals, significant unsecured creditors, significant vendors, and other interested parties (collectively, the “Potential Parties in Interest”), along with pleadings that have been filed with the Court to date, with the information contained in the conflict check systems and adverse party indexes currently maintained by Gibbons (collectively, the “Conflict Check System”). A list of entities searched is attached hereto as **Schedule 1**.

7. The facts stated herein, as to any connections between Gibbons lawyers on one hand, and the Debtors, the Debtors’ creditors, other parties in interest, their respective attorneys and accountants, the Office of the United States Trustee for Region Three (the “U.S. Trustee”), other persons employed by the U.S. Trustee, and those persons and entities who are defined as not disinterested persons in § 101(14) of the Bankruptcy Code, on the other hand, are based primarily upon the results of the review of the Conflict Check System.

8. In addition, through a firm-wide e-mail, our Firm’s Conflicts Department also solicited information directly from Gibbons attorneys to determine whether any of them were aware of any connections relevant to our proposed representation of the Committee. No such connections have yet been identified, except as set forth herein. In the event that any additional information is received, Gibbons will promptly supplement the disclosures contained herein to the Court.

9. The Conflict Check System is a computerized database of current and former clients and adverse and related parties that is regularly maintained and updated in the course of the Firm’s business. These procedures are designed to include every matter on which the Firm is now or has been engaged, by which entity the Firm is now or has been engaged, and, in each instance, to include and record the identity of related parties and adverse parties and the attorney in the Firm

who is knowledgeable about the matter. It is Gibbons' policy that that no new matter may be accepted or opened within the Firm without completing and submitting to those charged with maintaining the Conflict Check System the information necessary to check such matter for conflicts, including the identity of the prospective client, the matter and related and adverse parties.

10. Accordingly, the database is regularly updated for every new matter undertaken by Gibbons and reflects entries that are noted in the systems at the time the information becomes known by persons whose regular duties include recording and maintaining this information. The scope of the system is a function of the completeness and accuracy of the information submitted by the attorney opening a new matter. As a Director in the Firm, I regularly send information to update the Conflict Check System and use and rely upon the information contained in the system in the performance of my duties at the Firm and in my practice of law.

**GIBBONS' CONNECTIONS WITH PARTIES IN INTEREST
IN MATTERS UNRELATED TO THE CHAPTER 11 CASES**

11. To the best of my knowledge and information after due inquiry, (i) except as disclosed herein, Gibbons has no connections, within the meaning of Bankruptcy Rule 2014(a), with the Debtors, their creditors, any other party in interest, their respective attorneys or accountants, the U.S. Trustee, or any employee of that office; (ii) Gibbons does not hold or represent an adverse interest in connection with the Chapter 11 Cases; and (iii) Gibbons is a disinterested person within the meaning of section 101(14) of the Bankruptcy Code.

12. Gibbons has searched on its electronic database for its connections to the entities listed on **Schedule 1** hereto. To the extent that I have been able to ascertain that Gibbons has been retained within the last three (3) years to represent any of the Potential Parties in Interest (or their affiliates, as the case may be) in matters wholly unrelated to the Chapter 11 Cases, such relationships are disclosed on **Schedule 2** attached hereto.

13. No Gibbons attorney presently represents the Debtors. Additionally, no attorney at Gibbons represents an insider of the Debtors, any subsidiary, or other affiliate. In the past, Gibbons attorneys have represented the Debtors in discrete matters that are not related to the Chapter 11 Cases or the scope of the work that the Firm is being retained to perform in the Chapter 11 Cases. Specifically, within the past three (3) years, Gibbons advised Bed Bath & Beyond, Inc. on a single employment related matter. The employment matter concluded in December 2023 and the court entered an order approving a proposed settlement in January 2023. As of the Petition Date, Gibbons was owed \$80,584.92 in connection with the employment matter. In consideration for undertaking this representation, Gibbons has agreed to waive the \$80,584.92 unsecured claim in its entirety.

14. In addition to the connections disclosed on Schedule 2, Gibbons and certain of its directors, counsel and associates may have in the past represented, may currently represent, and likely in the future will represent other Potential Parties in Interest in connection with matters wholly unrelated to the Debtors or the Chapter 11 Cases. Moreover, Gibbons appears in many cases, proceedings, and transactions involving different attorneys, financial consultants and investment bankers, some of which may now or in the future represent the Potential Parties in Interest. Gibbons may also represent in the future certain Committee members and/or their affiliates in their capacities as official committee members in other chapter 11 cases, all of which involve matters wholly unrelated to the Chapter 11 Cases.

15. No attorney at Gibbons has been paid fees prepetition or holds a security interest, guarantee, or other assurance of compensation for services performed and to be performed in these proceedings except as set forth herein.

16. There is no agreement of any nature as to the sharing of any compensation to be paid to Gibbons.

17. Except as disclosed herein, no attorney at Gibbons has any other connection with the Debtors, their creditors, the U.S. Trustee, or any employee of that office, or any parties in interest in these proceedings.

18. To the best of my knowledge, no attorney at Gibbons is a relative of, currently has, or previously has had any connection with the bankruptcy judge approving the employment of Gibbons as the Committee's special counsel that would render the employment improper.

19. To the best of my knowledge, no attorney at Gibbons has any other interest, direct or indirect, that may be affected by the proposed representation.

20. Gibbons will not, while employed by the Committee, represent any other person or entity having an adverse interest in connection with the Chapter 11 Cases.

GIBBONS' RATES AND BILLING PRACTICES

21. The Firm's current hourly rates range from \$225 for paralegals to \$1,075 for the Firm's most senior directors. The current hourly rates for the Gibbons attorneys and paralegals that may from time to time represent the Committee are as follows:

Timekeeper	Title	Hourly Rates
Robert K. Malone	Director	\$1075
Dale E. Barney	Director	\$950
Peter J. Ulrich	Director	\$925
Mark B. Conlan	Director	\$740
Natasha M. Songonuga	Director	\$720
Brett S. Theisen	Director	\$700
Chantelle D. McClamb	Director	\$700
David N. Crapo	Counsel	\$790
Christopher P. Anton	Counsel	\$715
Kyle P. McEvilly	Associate	\$435
Ellen Rosen	Case Manager	\$375
Neal Mitchell	Paralegal	\$295

22. The current hourly rates set forth above are the Firm's usual and customary hourly rates for work of this nature. The Firm's rates are set at a level designed to fairly compensate Gibbons for its work and to cover fixed and routine overhead expenses. It is Gibbons' policy to charge its clients in all areas of practice for certain other expenses incurred in connection with the client's matter. The expenses charged to clients include, among other things, certain facsimile charges, mail and express mail charges, special or hand-delivery charges, document processing, photocopying charges, actual out-of-pocket expenses for travel, lodging, and business meals, computerized research, and transcription costs, as well as non-ordinary overhead expenses such as overtime for secretarial and other staff associated with specific work that may be required. Gibbons will charge the Debtors' estates for these expenses in a manner and at rates consistent with charges made generally to its clients.

23. Other than as set forth above, there is no proposed arrangement to compensate Gibbons in connection with its representation of the Committee.

24. Gibbons intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Chapter 11 Cases, subject to approval of the Court and in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, Local Rules, and any other applicable procedures and orders of the Court, on an hourly basis, plus reimbursement of actual, necessary expenses and other charges incurred by Gibbons. Gibbons also intends to make reasonable efforts to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases* (the "UST Guidelines"), both in connection with

the Application and the interim and final fee applications to be filed by Gibbons in the Chapter 11 Cases.

25. Consistent with Paragraph D.1 of the UST Guidelines, I provide the following information in further support of the Application:

- (a) Gibbons did not agree to any variation from, or alternative to, its standard or customary billing arrangements for matters of this nature;
- (b) None of Gibbons' professionals included in this engagement have varied their rate based on the geographic location of the Chapter 11 Cases;
- (c) Gibbons did not represent the client in the twelve (12) months prior to the Petition Date; and
- (d) The Committee, Pachulski and Gibbons intend on developing a prospective budget and staffing plan in a reasonable effort to comply with the U.S. Trustee's request for information and additional disclosures. Consistent with the UST Guidelines, any budget may be amended as necessary to reflect changed circumstances or unanticipated developments.

26. Gibbons has agreed to provide legal services to the Committee and recognizes that any allowance of compensation for services rendered on behalf of the Committee in connection with these proceedings and any reimbursement of disbursements made in connection therewith are subject to the prior approval and authorization by order of this Court. Gibbons realizes that any application for fees must be supported by detailed contemporaneous time records. Gibbons also understands that the Court's approval of its retention application is not approval of any proposed terms of compensation and that this Court may allow compensation on terms different from those proposed.

27. Gibbons will abide by the terms of any administrative order establishing professional compensation and reimbursement procedures entered in this case.

28. The foregoing constitutes the statement of Gibbons pursuant to sections 504 and 1103 of the Bankruptcy Code and Bankruptcy Rules 2014(a) and 2016(a).

I hereby declare under penalty of perjury that the foregoing is true and correct.

MICHAEL MANDELL, solely in his capacity as Chairperson of the Official Committee of Unsecured Creditors (the “Committee”) of Bed Bath & Beyond, Inc. and its affiliates (the “Debtors”), under penalty of perjury, hereby declares as follows:

1. I submit this declaration (the “Mandell Declaration”) in support of the *Application of the Official Committee of Unsecured Creditors for Entry of an Order Authorizing the Employment*

¹ The last four digits of Debtor Bed Bath & Beyond, Inc.’s tax identification number are 0488. and Retention of Gibbons P.C. as its Counsel Effective as of May 23, 2023 (the “Application”).

Unless otherwise stated in the herein, I have personal knowledge of the facts set forth herein and, if called as a witness, would testify competently thereto.²

2. The Committee selected Gibbons after determining that Gibbons’ combination of relevant financial restructuring and bankruptcy related experience warranted selection of the Firm. The Firm is also recognized for its expertise in other areas of the law, including but not limited to, tax, real estate, intellectual property and complex commercial litigation. Based on these facts and in consultation with Pachulski, the Committee determined that Gibbons is qualified to serve as special counsel.

3. Gibbons has informed the Committee that its current hourly rates are the Firm’s usual and customary hourly rates for work of this nature. The Committee recognizes that such rates are comparable to the rates of firms similar to Gibbons and for professionals with similar experience as Gibbons attorneys. Gibbons has also informed the Committee that its hourly rates are subject to periodic adjustments, of which the Firm will provide notice to the Committee.

4. Gibbons has advised the Committee that the Firm intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Chapter 11 Cases, and to make reasonable efforts to comply with the UST Guidelines.

5. The Committee will supervise the Firm and, in coordination with Pachulski and the Committee’s other professionals, develop a prospective budget and staffing plan for the Chapter 11 Cases. The Committee will review the Firm’s invoices, and, due to unforeseen issues that may arise in the Chapter 11 Cases, amend any budget and staffing plan accordingly.

² Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Application.

6. Therefore, based on the foregoing, the Committee believes that the employment and retention of Gibbons is necessary and appropriate and in the best interest of the creditors of the Debtors' estates.

I hereby declare under penalty of perjury that the foregoing is true and correct.
